PICNIC SITES (within the townsite)

VISITOR CENTRE RESERVE

This small park is in the heart of the town behind the oldest building in the townsite, home to the Visitor Information Centre, the Carnaby Beetle and Butterfly Collection and the Kradle Doll collection and many local products for sale. Find picnic tables; gazebo; disabled access toilets with baby changing facilities; close to shops grassed area and shady trees.

SANDAKAN PARK

Located behind the Town Hall and right in the middle of town this park is home to the Sandakan Memorial which honours those prisoners of war who lost their lives in the Borneo Death Marches in WWII and offers; free BBQ; gazebo shelters; picnic tables; a large playground under sails; skateboard rink; three hologram sculptures; open parkland; disabled access to toilets behind the Town Hall

LIONS/TOURISM PARK

Set on the banks of the Blackwood River on the road to Kojonup this park has a natural bush setting and provides picnic tables; disabled access toilet; water and night lighting. The Bi centennial Walk Trail along the river leads to the Music Park.

MUSIC PARK

Situated on the Riverside in Jackson Street on the way to the Flax Mill Caravan Park - where a visit will provide an opportunity to see the only remaining Flax Mill site with in Australia with interesting buildings and a sand sculpture of international standard. The Music Park offers picnic table; water; large open spaces and outdoor gym equipment. This facility is a designated dog exercise area. A stroll along the Bicentennial Walk Trail by the river will bring you out at the Lions/Tourism Park. This trail is 6 km long and will take you around the outskirts of the town through two bush reserves where wild flowers are abundant in season and along the banks of the Boyup Brook to return you to this point. Allow about 1 & a half hours.

BOYUP BROOK BILLABONG

Found behind the Old Railway Station, over the walk bridge and down the path to the banks of the Boyup Brook find a bush setting where a small pool and rock formation provides a tranquil experience. On the way down to the water you will see a picnic table where, if you are very lucky and quiet and patient you may see robin red breasts or blue wrens amongst other small bird life. Much work is being carried out to try to restore this part of the Brook to its former natural beauty.
